

Web Design Fundamentals

Project - Scenic Views

Web Design Fundamentals - Website Project Assignment

Declaration

I the undersigned declare that the project material, which I now submit, is my own work. This material or project has not previously been submitted for any other assignment. Any assistance received by way of borrowing from previous work, or the work of others has been cited and acknowledged within the work. I make this declaration in the knowledge that a breach of the rules pertaining to project submission may carry serious consequences. We are aware that the project will not be accepted unless this form has been handed in along with the project.

Website Topic	Scenic Views
Student name:	Tania Winters
Student number:	S00213820
Date:	21-04-2021

The Four Paged Web Design “Scenic Views”

GitHub URL (<https://taniawinters.github.io/ScenicViews/>)

This website contains:

1. Index page
2. About page
3. Information page
4. Gallery page

Consistency throughout the website:

1. Navigation – Nav CSS >
2. Footer
3. Scenic Views Logo
4. Copyright 2021
5. CSS validation in footer image

```
18 nav ul
19 {
20   float: right;
21   list-style: none;
22   margin: 25px;
23 }
24 nav ul li
25 {
26   display: inline-block;
27 }
28 nav ul li a
29 {
30   text-decoration: none;
31   color: #fff;
32   padding: 5px 20px;
33   border: 1px solid #fff;
34 }
35 nav ul li a:hover
36 {
37   background-color: #fff;
38   color: #000;
39   transition: 0.6s ease;
40 }
```

Navigation is set for all pages on the website, which is in the <header> tag with tag for Logo and Background image in CSS, the same navigation is displayed in the <footer> tag. The navigation has a hover effect of a background colour white once you hover over each tag that contains with <a> tag that contains the link to each page.

- Warning** Section lacks heading. Consider using `h2` - `h6` elements to [add identifying headings to all sections](#).
From line 73, column 5 to line 73, column 28
`<div>` `<section class="column">` `<`
- Warning** Section lacks heading. Consider using `h2` - `h6` elements to [add identifying headings to all sections](#).
From line 94, column 5 to line 94, column 28
`time">` `<section class="column">` `<`
- Warning** Section lacks heading. Consider using `h2` - `h6` elements to [add identifying headings to all sections](#).
From line 71, column 5 to line 71, column 25
`<div>` `<section class="row">` `<`

Document checking completed.
Used the HTML parser
Total execution time: 17 milliseconds

All pages have HTML/CSS validation, the CSS validation was all correct, to be able to use the CSS validator image. The HTML validation had some warnings, on one page where `<iframe>` tags were used the validation showed two **errors**, so was unable to use the HTML validation image.

Home page (index)

Beautiful places		
The Scenic Views website gives directions and brings you to different websites to explore for new adventure. Ireland is the most beautiful place in the world, especially when the sun is shining and splitting the rocks. Make sure to check the few listed and also do not forget to come back and visit, as more places will be shared after a period of time.		
Westport House Co. Mayo 	Waterfall Co. Kerry 	Doolin Castle Co. Clare 
Westport Information and images	Gleninchaquin Park	Doolin Castle Photos
Westport Town is a beautiful place to visit	Gleninchaquin Park is a fun family spot	Doolin Castle is a tourist attraction

In the above image is a table format. This includes text, google maps and links inside the <table> tag.

The main location we are situated in, is the beautiful Co. Mayo.

Beautiful Scenic View all over Co. Mayo to view, especially the [wild atlantic spots](#) and hidden gems.

This website is adhering to the Government/HSE Guidelines in relation to COVID-19 please remember to stay in the 20km zone and remember to sanitise and wear your mask. [HSE - COVID-19](#)

Enjoy the exploring and hope this points you in a new direction to beautiful scenic views.

Things to Know!

- [1. Top hidden gems to explore in Ireland.](#)
- [2. Message us and let us know your view on a place.](#)
- Share our page and let people know we are here by clicking the QR Code >>>
- [4. Please remember to take care where ever you adventure to.](#)

- The above image shown, includes <aside>, <article> and a second <aside> tag. The <aside> has context, links and COVID 19 image to advise people to continue to follow the guidelines, that the Government/HSE has put in place to keep everyone safe.
- The <article> tag contains an ordered list tag, with links to external websites and the third one, just lets you know you can snap and share the QR code to your friends and family.
- The images in the second <aside> tag contain QR code, snap image and share image.

The QR code was created on <https://www.qrcode-monkey.com/>

This image (png) is from <https://pngtree.com/>, which the site membership package is a paid for lifetime package. Which contain PSD, PNG, EPS images etc...

This share image (png) is also downloaded from pngtree.

Neque porro quisquam est, qui dolorem ipsum quia dolor sit amet, consectetur, adipisci velit, sed quia non numquam eius modi tempora incidunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim ad minima veniam, quis nostrum exercitationem ullam corporis suscipit laboriosam, nisi ut aliquid ex ea commodi consequatur? Quis autem vel eum iure reprehenderit qui in ea voluptate velit esse quam nihil molestiae consequatur, vel illum qui dolorem eum fugiat quo voluptas nulla pariatur?"

The information page contains a section, within this <section> tag contains <h1> tags and <p> tags to create context appropriate for Scenic Views website.

Gallery Page

The gallery contains a slider which has @keyframes to slide the images left in CSS, the HTML tags used to create this is a <section> which has inside a <figure> tag is used.

```
@keyframes slideshow
{
  0%{left: 0%;}
  20%{left: 0%;}
  25%{left: -100%;}
  100%{left: -100%;}
  50%{left: -200%;}
  70%{left: -200%;}
  75%{left: -300%;}
  95%{left: -300%;}
  100%{left: -400%;}
  100%{left: -400%;}
}

#slider
{
  overflow: hidden;
}

#slider figure img
{
  width: 20%;
  float: left;
}

#slider figure
{
  position: relative;
  width: 500%;
  margin: 0;
  left: 0;
  text-align: left;
  font-size: 0;
  animation: 20s slideshow infinite;
}

* {
  box-sizing: border-box;
}
```

CSS includes animation to create a 20s infinite slideshow, this runs continuously on the page.

```
<section id="slider">
  <figure>
    
    
    
    
    
  </figure>
</section>
```

Web design Proposed.

The website was created in promoting Scenic Views, to boost exercise and help mental health without stating these facts.

The audience this site is available to is all-age group's young to old, can be couples, family, friends or even an adventure with college/work buddies.

This website has images taken because it is nice to share beautiful images which inspires individuals, who are photographers or anybody who loves to snap a nice photo whatever the angle is.

In the contact form you can contact the page with suggestions of a stunning view you would like posted on the webpage.

The [presentation of proposal](#) before the website was coded.

Conclusion

The Scenic Views website shows consistency throughout the webpages. The pages contain different html tags to create different context throughout the website. The website was created in ordered to share stunning views with other individuals and inspire in many ways without sharing it on the site.
